

Exam Result Success 2021

This year's results have again been outstanding at Teignmouth Community School Sixth Form (TCS6). Our pass rate at A level was 100%, and students completing equivalent vocational and technical qualifications also excelled. In addition, 50% of the cohort applied to University and I'm pleased to say that all secured a place. The information below, shows some of the destinations and the wide range of courses are students have gone on to study. Despite the challenging circumstances of the pandemic, it's been an excellent year at TCS6 for the class of 2021! We will miss this cohort and wish them the best of luck for the future.
