

Dear Parent/Guardian,

Your child has recently attended a presentation by the **National Citizen Service (NCS)**.

NCS is an exciting and inspiring youth programme for young people aged between 16 and 17. It gives young people the opportunity to build confidence, improve skills for life, and support independence on their transition to adulthood. All graduates of the programme receive a certificate signed by the prime minister and valuable experience which will enhance their CV's and help with university and job applications.

In arrangement with Teignmouth Community School, this November we are offering the following programme to year 12 students at your child's school. Due to government funding the programme is completely **free!**
