

10 November 2023

Dear Parent/Guardian,

Aspirational Trip to Exeter University

As part of our support in guiding students towards their next steps, we have planned a trip to Exeter University on **Monday, 13 November 2023**. We are fortunate enough to have a Russell Group University on our door step, and I'm pleased to say that your son/daughter has signed up to attend the trip. The experience will give an initial insight into university life and will include presentations from current university students on 'student life', personal statements and a tour of the campus.

Students will meet at Café 6 at 9am, and will then be taken via mini bus to Exeter University. We are due to arrive back to school at 2.45am. Students will need to bring a packed lunch and drinks for the day or money to purchase lunch from the university cafeteria.

As you have already completed an annual SOE3 form we do not require any further paperwork, unless details have since changed this academic year. If you do not wish your son/daughter to attend. Please email me and I will remove them from the planned list of students. .

Yours sincerely

A handwritten signature in black ink that reads "Laura Milsom".
