

13 November 2023

All Year 12 students have been invited to attend the annual Learn2Live road safety presentation on the morning of Monday, 20 November at the Torquay Riviera Centre. Road safety is a vital area of education and it is expected that all students attend.

The presentation is free to attend and we have also waived the transportation costs. We shall be leaving school by coach at 10am on 20 November and will return to School at around 12.30pm in order to attend afternoon lessons.

In the United Kingdom young people between 17 - 24 years of age are over-represented in road collisions that result in fatalities and serious injuries. Very often the most severely injured parties are passengers who are catching a lift with peers. The Learn2Live presentation informs young people about the dangers new young drivers and passengers could face and also gives them vital information that will help them to manage the risk.

The road safety presentation is, of necessity, hard hitting and could be emotionally challenging for some students. There will be staff at the venue to provide any necessary emotional support both during the event and afterwards at School. **However, if you feel that, because of personal circumstances, your child should not attend the presentation, I would be grateful if you could email me at tammie.best@teignmouthschool.co.uk**

Yours sincerely,

A handwritten signature in black ink that reads 'TBest'.
